

## ACWDB Layoff and Closure PY 2019/2020

### WARN

The Worker Adjustment Retraining Notification (WARN) protects employees, their families, and communities by requiring employers to give a 60-day notice to the affected employees and both state and local representatives prior to a plant closing or mass layoff. Federal WARN is applicable only to employers with 100 or more full-time employees. California WARN is applicable to a covered establishment with 75 or more employees full or part-time.
